Request For Proposals
City of North Adams
Bid # NA-2019-003

The City of North Adams, MA, acting by and through its Office of Community Development (OCD), is soliciting proposals from professional civil engineering design firms to provide design and construction administrative services for storm water drainage, culvert, paving and associated infrastructure improvements thereto for work upon the intersection and adjacent areas thereto at Massachusetts Avenue and Ashton Avenue. Interested firms must be registered in Massachusetts as a licensed professional engineer, and be able to demonstrate that they meet all requirements as outlined in the project's *Scope of Services-Blackinton Infrastructure Improvement's* project.

Project packets are available at the North Adams OCD after 12:00 PM on Wednesday, September 11, 2019. Proposals must be received no later than 11:00 AM on Monday, September 30, 2019, at the OCD, Room # 107, City Hall - 10 Main Street, North Adams, MA 01247, after which time all received proposals shall be taken to the City Council Chambers in Room 106 where they shall be opened and identified as to its proposer. All proposals will receive consideration without regard to race, creed, color, age, sex, religion or national origin.

Both the design and construction work for this project are contingent upon funding being provided to the City of North Adams from the *FY'2019 MassWorks Infrastructure Grant Program* through the State Executive Office of Energy and Environmental Affairs, as well as the fulfillment of any post-grant award requirements as may be required.

Any questions concerning the proposed project should be directed to the Office of Community Development between 8:00 AM and 4:30 PM Monday through Friday in person, or by calling 413-662-3000 (x-3227). The City of North Adams is an Affirmative Action/Equal Opportunity Employer.
